Thoughts give birth to a creative force that is neither elemental nor sidereal. Thoughts create a new heaven, a new firmament, a new source of energy, from which new arts flow. When a man undertakes to create something, he establishes a new heaven, as it were and from it the work that he desires to create flows into him. For such is the immensity of man that he is greater than heaven and earth. - Paracelsus ...to help bring about the changes necessary for a better world...each person has to change the world within themselves, individually, this in turn reflects out into the world and can bring about a global transformation. - Mayan Lynch Those wishing to learn and appreciate the art of meditation, to achieve a higher consciousness, or to gain a better understanding of themselves and the world we live in will benefit greatly from this book. When Jeffrey Wands was six years old, he met his great grandmother Mary. She had been dead for twenty-three years. Gifted psychic Jeffrey Wands's connection with his great grandmother was the first step in a remarkable journey that has led to his current status as one of the most acclaimed and successful psychics in the country. Now, in *The Psychic in You*, he traces his development as a psychic and describes what it's like to grow up with such an extraordinary gift. Using a series of compelling and dramatic anecdotes, he illustrates the joys -- and the pain -- that this faculty has brought him. *The Psychic in You* is a book of incredible stories told in the most down-to-earth and readable way. And un-

derpinning this exceptional narrative is Jeffrey Wands's belief that all of us have psychic capabilities, and that all of us can -- and should -- try to develop them. A fascinating read full of dramatic accounts of the paranormal, *The Psychic in You* includes information on: • Unleashing your own psychic ability • Contacting loved ones who have crossed over • Understanding the dead • Freeing yourself from pain and negativity • Handling fear of the dead Captivating, yet practical, this highly readable book dispels the myths and superstitions that surround psychic phenomena and provides a decidedly down-to-earth look at communicating with the other side. Enlightening and absorbing, *The Psychic in You* is essential reading for anyone seeking a richer, more insightful life.

Nonetheless, we all have psychic potential, but it is up to the individual to recognize and develop this immense innate ability. Psychic Development Simplified is a complete guidebook to psychic development. With it, you can learn psychic abilities for real. Start with meditation, affirmations and emotional healing; learn about Chi and psychic energies; practice psychic self-defense, and learn energy manipulation; master psychic readings, psychometry, psychic healing, telekinesis, remote viewing and much more! Book's author, Nathaniel, a professional psychic, have put together knowledge from different parts of the world, and simplified it, so anyone can unleash his or hers psychic potential! Below are reviews of readers: "Psychic Development Simplified is an amazing source of information. I learned a few tips and tricks even I hadn't known! Nathan has done a fantastic job compiling information and making it understandable for everyone! I highly recommend it to others!" - J.V. Krakowski, psychic teacher. "Interested a book on psychic development that's different from all of the rest? Try Nathan's new e-book, *Psychic Development Simplified* and you won't be disappointed. (...) As a professional intuitive, I found myself nodding my head along with him in the "How To" do a psychic reading section. (...) I found myself puzzling over them somewhat not only as I was learning some new things, but also as I recognized that there were a number of things I do automatically in a reading that I didn't really learn anywhere that Nathan puts a name to and teaches you how to do - invaluable. (...) Nathan uses easy to understand "everyday" analogies to explain complex topics. He is straightforward and calls it like he sees it. You can trust his judgement when he gives you advice on how to think about the process and not to overwhelm or overload yourself, but instead to take it easy and at your own pace. Some of the advice he gives in snippets thrown out here and there are simply priceless and will resonate with everyone, no matter what your intuitive style or belief system. (...) It is dense, extensively informative, and something that I would liken to a *Psychic Encyclopedia*. My take on this is that it could in itself be considered a fairly comprehensive course. The perspective is unique, and just different enough to make even a seasoned psychic or intuitive reconsider their position on some things." - Julie Barrett, professional psychic intuitive. "(...) I had the good fortune of being able to read *Psychic Development Simplified*" and am so glad I did. I was a little daunted at first by the number of pages, but once I settled in to read, it was hard to put it down. It is exactly as the title states - simplified. One of the best pieces of

information I learned was that not everyone has the same gifts, but you have the ability to learn others. Before I started reading, I had visions in my head about turban wearing shrunken ladies with long fingernails and a crystal ball; I was extremely happy to find out this is not a realistic thought and true psychics are every day people with every day lives. Another great point about this book are the theories that are discussed in full detail before each practical activity. I like a little knowledge and/or history before I dive into something and that is exactly what Nathan provided. The practical exercises were easy to understand and attempt throughout the entire book. I'm so thankful for my new knowledge that I can't wait to re-read and continue practicing. I would highly recommend this for all levels of learning and practicing psychics." - Jennifer, a psychic in training. Get your copy today, and unleash your psychic potential!

Do you have psychic potential? Do you possess gifts that you fail to recognize? Can you really learn to develop and use these abilities? The answer to all three questions is yes. You were born psychic. You may not have a crystal ball, but you can learn how to recognize your innate ability and apply it practically to your everyday life. Through her work as the only psychic to ever work with FBI, Noreen Renier has helped lead law enforcement authorities, crime victims, and distressed families to answers. That experience, combined with her no-nonsense approach that includes helpful exercises and meditations, will help you understand and develop your unique skills without any hocus-pocus. This book takes the mystery and doubt out of psychic phenomena so you can develop and use these abilities to enrich your everyday life.

Clairvoyance, meaning 'clear seeing', is the ability of the mind to see beyond the superficial. It is an ability which we all have to a greater or lesser extent, and which can be developed and used in everyday life. clairvoyant abilities. By filling in the questionnaire, you can find out where your own strengths and weaknesses lie and create your own path of discovery through the book. Including many fascinating experiments and activities, the book covers subjects as diverse as dowsing, psychometry, telepathy, talismans, auras, ghosts and the power of mind over matter.
