4BE - BENTON EVELIN

Flowers were associated with several superstitions including love potions and how long a person was going to live or die... Not only was the type of flower important when interpreting meanings or superstitions, but the color of the flower and the way it was presented or worn, played a major part.

In ancient Greece, people regarded lily as a symbol of sexuality. This flower also had an important role to play in the old folktales. As per the tradition, it is said that old wives always approached an expectant mother with a lily and a

rose flower; the lily would symbolize a boy and the rose would represent a girl.

There's also a section on Japanese, Chinese, and English calendar flowers/plants (like, the flower for this month is ____). My only I feel like the title of this book really covers it - it's about the folklore and symbolism of flowers and other plants.

From the origin of a flower's name to its distinctive characteristics and rich mythology, flowers are infused with symbolism and meaning. Our Flower Meaning Guide is designed to unravel these hidden mysteries, uncover

these floral gems and open you up to a whole new language - the language of flowers.
