This stunning collection showcases the love poetry and mystical teachings at the heart of the Islamic tradition in accurate and poetic original translations. At a time when the association of Islam with violence dominates headlines, this beautiful collection offers us a chance to see a radically different face of the Islamic tradition. It traces a soaring, poetic, popular tradition that celebrates love for both humanity and the Divine as the ultimate path leading humanity back to God. Safi brings together for the first time the passages of the Qur'an sought by the Muslim sages, the mystical sayings of the Prophet, and the teachings of the path of "Divine love." Accurately and sensitively translated by leading scholar of Islam Omid Safi, the writings of Jalal al-Din Rumi can now be read alongside passages by Kharaqani, 'Attar, Hafez of Shiraz, Abu Sa'id-e Abi 'l-Khayr, and other key Muslim mystics. For the millions of readers whose lives have been touched by Rumi's poetry, here is a chance to see the Arabic and Persian traditions that produced him.

An enduring classic work on the etiquette that a Muslim must or should have with regard to handling and reciting the Quran (the Muslim scripture). The topics this volume raises include: ritual cleanliness, opportune times for recitation, the etiquette that students have with their teachers (and that teachers must have with their students), and variety of other issues that every Muslim should know and frequently ask about.

Maximilian and his friends are living a double life, posing as royal counsellors for the despotic, pagan governor of Roman Philadelphia (present-day Jordan) while secretly spreading the outlawed religion of Jesus of Nazareth. As their brethren fall victim to torture and murder, their situation becomes more and more dire until they take a daring step that sends shockwaves throughout the whole Roman Empire. Although they are forced to flee, nonetheless, their story lives on as generation after generation carry on their epic battle and an unimaginable miracle changes their world forever. "The Idols Will Fall" is a unique presentation of the miraculous story of these young men referred to both in Christian historical literature and in the Qur'an. This is the story of the Sleepers of the Cave.

The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, *tawassum*, *tadabbur*, and *tafakkur*, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. Koran, Qur'an, Coran, Kuran, Islam, Prophet Muhammad

Cemalnur Sargut, the Turkish leader of the Rifa'i Sufi order, occupies a special place in the intellectual and social landscape of contemporary Islam. This is so for multiple reasons. As a female Sufi teacher who commands a loyal and active worldwide following, especially in Turkey, Sargut's career as a scholar and Sufi leader represents an important case study in the dynamics of contemporary global Sufism. This volume represents the first text in English translation that brings together some of her major discourses and teachings as presented to her students through the genre of oral discourses. More specifically, the discourses that form the core of this book were collected through oral interviews with Cemalnur conducted by her students as part of a weekly program aired on a national Turkish radio station. The original Turkish transcription on which this English translation is based is titled *Dinle* (Listen), and was published in 2012 by Nefes Press. Cemalnur has been actively training disciples and students in the teachings and practices of the Rifa'i Sufi order for the last forty years. While her oral and written discourses are widely available in Turkish, they have until now remained inaccessible to an English language audience. This book seeks to address this lacuna by introducing key aspects of her thought and spiritual orientation in English. In this brief introduction I wish to provide readers a broad outline of the key themes and concepts that animate the lineaments of Cemalnur's thoughts as presented in this book. In addition, I also hope to provide readers with the intellectual and institutional context in which one might be able to place Cemalnur's thought and scholarly career. Moreover, I will also have the occasion to discuss the literary genre within Sufism and Islamic literature that corresponds to the kind of oral teachings and sermons that populate the pages of this book. Finally I will briefly explain the stylistic decisions and choices that were made in the presentation of this text.

The author attempts to spell out the Islamic principles on which business enterprise should be based specially in the area of partnership. He displays a strikingly acute awareness of Islamic laws on the subject, matched by an equally striking awareness of the forms of business organization in vogue in the contemporary world. The work represents a serious scholarly effort to sort out complicated questions such as those mentioned above, to enunciate Islamic principles relative to business enterprise, and to apply them in the changed context of present-day business.

A selection of beautiful and practical pieces of advice from the Quran, the Prophet PBUH and Islam's great scholars on repentance, guidance and purification. This book is designed to serve as a source of hope and strength for those going through difficult times, while providing numerous important pieces of knowledge and guidance for all readers and all times

Ramadan and fasting in Ramadan are one of the VERY beloved acts of worship (and Ibadah) in the eyes of Allah! This book provides Allah's commands, prophet guidance and scholarly advice and interpretation on a great Islamic month - Ramadan. It also covers the virtues of fasting - rewards that no one can comprehend. Consider the following about Ramadan and Fasting. The prophet said, "Whoever fasts the month of Ramadan out of faith and in the hope of earning reward, all his previous sins will be forgiven, and whoever stays up during Laylat al-Qadr out of faith and in the hope of earning reward, all his previous sins will be forgiven." (Agreed upon). " Nothing probably explains more about the blessings of Ramadan than the Night of Decree (Laylatal Qadr) - the worship during that ONE night is better than worshipping Allah for more than ONE THOUSAND months! On the Night of the Decree in Ramadan, descend the angels and the Rooh [Jibreel (Gabriel)] by Allah's Permission with all Decrees, In this month, Allaah opens the gates of Paradise and closes the gates of Hell, and chains up the devils, as is stated in al-Saheehayn (al-Bukhaari, 1898; Muslim, 1079), from the hadeeth of Abu Hurayrah who said that the Messenger of Allaah (peace and blessings of Allaah be

upon him) said: "When Ramadaan comes, the gates of Paradise are opened and the gates of Hell are closed, and the devils are chained up." Whoever prays qiyaam in Ramadaan with the imam until he finishes, it will be recorded for him that he spent the whole night in prayer, because of the report narrated by Abu Dawood (1370) and others from the hadeeth of Abu Dharr (may Allaah be pleased with him) that the Messenger of Allaah (peace and blessings of Allaah be upon him) said: "Whoever prays qiyaam with the imam until he finishes, it will be recorded for him that he spent the whole night in prayer." Classed as saheeh by al-Albaani Topics in this book include the following - Obligation Of Fasting In Ramadan Putting Off Fasting For Valid Reasons Not Fasting Due To Mind Not Being Sound Virtues Of Ramadan Taraweeh And Qiyaam Prayers Count Of Taraweeh Prayers Virtues And Importance Of Taraweeh Prayers Women Praying Taraweeh Prayers At The Mosque Timing Of Taraweeh Prayers Holding Mushaf (Quran) Behind The Imam Laylat Al-Qadr And Its Significance Virtues Of Laylat Al-Qadr Revelation Of Quran Better Than A Thousand Months Forgiveness Of Sins Virtues Of Quran Quran On "Virtues Of The Quran" The Word Of The Lord Of The Worlds Quran As A Divine Healing And A Mercy The Rewards Of Reciting Quran In Qiyaam Al-Layl (Night Prayers Before Fajr) Reciting Quran In Ramadan Benefits Of Reciting Certain Quranic Surahs (Chapters) A Muslim's Status Is Raised By The Quran Allah's Gift Of Guidance Allah's Final Revelation To Mankind The Greatest Miracle Of Prophet Muhammad (Saw) Ahadith On The "Virtues Of Quran" 'Itikaaf Ramadan Hadith Brushing And Use Of Siwaak Children And Fasting Fasting And Sickness Concessions For Those Who Can't Fast Issues Related To Traveling Issues Related To Sexual Relations During Ramadan Etiquettes Of Eating And Drinking Breaking Fast When One Is Already Fasting Women And Fasting Significance Of Sha'baan Voluntary Fasting A Checklist For Ramadan

The Ideal Muslimah This an incredibly sane book, which can help a woman (who is truly female), keep her head on straight and not get lost in a very dangerous game where she only stands to lose. Satan will try to convince women that they have the right to challenge the boundaries of their existence. This book more than anything can help a woman become a decent, loving, compassionate and honest person, which is a huge challenge for most people. This is an excellent book to not only have as a reference book, but to read many times. The book covers everything from the relationship to Allah (God), hospitality to Marriage and family.

This book shows the reader how to approach the Quran in order better understand and appreciate it. The Qur'an should be recited daily so that in short spaces of time entire recitations are completed. This is something that many are punctual with in Ramadan, however, it is not something that is exclusive to that month. It's blessings transcend to every instance in our lives. To facilitate this, a table has been included at the end of this book which we can use to encourage and remind ourselves of this manner of pleasing Allah Ta'ala. Either we can tick a day when we reach a specific goal of verses/pages each day, or we can insert a number (to represent verses/pages) if our daily timetables are unpredictable or inconstant. In this manner we can still try to read a fixed number of pages per day. One should try to aim for a Juz (Parah) a day. If one is trying to create a habit and this is too much, start smaller, e.g. a few pages. With the gradual build up of speed and comfort in reading, one will be able to set this or even higher goals. One should also try and read the Qur'an with a reputable translation at hand so one can reflect upon the meaning of what is recited. This is why the translation has also been included in this publication (and also our other Publications). With this addition we hope that our recitation of the Qur'an will rise above a repetition of unknown words, and progress to giving audience to the Words of Allah Ta'ala, and taking the commands and advices of Allah Ta'ala to heart. The chapters of the Qur'an presented in this book are those which should be recited daily. If one is not able to recite so much comfortably, then one should start with one or even part of one of these Surahs daily. The specific benefits for reciting each of these chapters are mentioned under their separate headings.

This book provides a comprehensive explanation for Allah's names and attributes. The author has effectively defined the attributes of Allah in such a way to ensure sufficient detail is provided for the reader, without excessively analysing and over complicating the topic. The aim and achievement of this book is to introduce God in the terms in which He introduces Himself, and thereby make the approach to Him easier for willing hearts and minds. Furthermore it allows for a lighter, more pleasant and rewarding experience on the journey in reconnecting and strengthening the bond with our Creator.

The life and legacy of one of Mohammad's closest confidants and Islam's patron saint: Ali ibn Abi Talib. Ali ibn Abi Talib is arguably the single most important spiritual and intellectual authority in Islam after prophet Mohammad. Through his teachings and leadership as fourth caliph, Ali nourished Islam. But Muslims are divided on whether he was supposed to be Mohammad's political successor—and he continues to be a polarizing figure in Islamic history. Hassan Abbas provides a nuanced, compelling portrait of this towering yet divisive figure and the origins of sectarian division within Islam. Abbas reveals how, after Mohammad, Ali assumed the spiritual mantle of Islam to spearhead the movement that the prophet had led. While Ali's teachings about wisdom, justice, and selflessness continue to be cherished by both Shia and Sunni Muslims, his pluralist ideas have been buried under sectarian agendas and power politics. Today, Abbas argues, Ali's legacy and message stands against that of ISIS, Al-Qaeda, and Taliban.

This book is one of the many Islamic publications distributed by Mustafa Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Mustafa Organization is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involve-

ment and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi`a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resisted, resisted and fought!

The Heart of the Qur'an is a collection of loving letters sent from God to humanity. The Prophet Noah would plead with his people, saying "I am delivering my Lord's messages to you" [Qur'an 7:62]. With the current paradoxical climate of increasing secularization and the rise of fundamentalism across the world, there is no better time to search for fresh insight and guidance from the Qur'an. The Heart of The Qur'an is a well-researched commentary on Surah Yasin. It is written in simple English and is complete with diagrams and illustrations to create an engaging read. The commentary is profound and inspiring, it masterfully highlights the nuances of the Qur'an's language and repeatedly draws the reader's attention towards practical changes they can make in their lives.

Ankylosing Spondylitis (AS) and related diseases called spondyloarthropathies (SpA) are the second most common form of chronic inflammatory arthritis after Rheumatoid Arthritis (RA). Unfortunately, most patients with AS and SpA are either never diagnosed, or they are inadequately treated. The current mean delay in the diagnosis of AS ranges from 5 to 10 years, and the presenting clinical manifestations of these diseases are wide-ranging and heterogeneous, and thus a variety of health care professionals see AS and SpA patients, from primary care physicians to rheumatologists and other medical and surgical specialists. With the availability of newer, highly effective treatments and better methods of musculoskeletal imaging, such as the MRI, there is an urgent need to improve early diagnosis and reduce any inappropriate delay in obtaining effective treatment. Earlier diagnosis and treatment can mitigate the severity of the disease, and make a meaningful difference for patient care and quality of life. The proposed book is designed for specialists and generalists alike, and is intended to expedite accurate diagnosis and initiation of appropriate treatment in order to alleviate unnecessary suffering. Part of the new Oxford American Rheumatology Library series, this pocket-sized book provides practical, evidence-based information for clinicians to aid diagnosis, treatment, and follow-up care for patients with AS and SpA. The book provides pointers to early diagnosis, prognosis, clinical manifestations, socioeconomic aspects, and disease management. It also provides comprehensive coverage of current treatment options, including the latest biologics, as well as non-drug therapies.

This is an Islamic prayer book, dua, that contain the various ways to use surah Yaseen of the holy Quran to pray to Allah the Almighty to protect you from your enemies and to solve all your problems and ailments in this world and the difficulties of the hereafter

"Neither as Christians or Jews, nor simply as intellectually responsible individuals," says Hixon, "have members of Western civilization been sensitively educated or even accurately informed about Islam." As tensions between America and the Middle East grow, we should promote cross-cultural understanding, not violence. This new edition, with a new foreword and commentary by Neil Douglas-Klotz, allows the reader to drink from the illuminating fountain of the Holy Qur'an—the foundation of Islamic culture. First published in 1988, Hixon's poetic meditations on over nine-hundred passages from the Qur'an show that they are not relics from the past but exist in a timeless present, communicating as vividly as when they were first uttered. Through clear and accessible language, Hixon illustrates how the teachings of Islam can be applied to contemporary everyday life issues such as love, relationships, justice, work, and self-knowledge. In addition to the selections themselves, the book contains readable, lively introductions to the tradition of Islam, its basic precepts, and what it says about other religions. As the first such work in English to be written by a Muslim, *The Heart of the Qur'an* continues to show that Islam is among the great wisdom traditions of humanity.

Year after year in the blessed month of Ramadan, little Najma has happily arisen to the drum beat of her neighborhood's musaharati. Abdelkrim Ghallab's postcolonial *We Buried the Past*, originally published in 1966, was the first breakthrough Moroccan novel written in Arabic instead of French. Newly translated into English, this edition brings Ghallab's most widely read and lauded work to a new audience. Written after the country gained independence, the historical novel follows two generations of al-Tihamis, a well-to-do family residing in Fez's ancient medina. The family members' lives reflect the profound social changes taking place in Morocco during that time. Bridging two worlds, *We Buried the Past* begins during the quieter days of the late colonial period, a world of seemingly timeless tradition, in which the patriarch, al-Haj Muhammad, proudly presides over the family. Here, religion is unquestioned and permeates all aspects of daily life. But the coming upheaval and imminent social transition are reflected in al-Haj's three sons, particularly his second son, Abderrahman, who eventually defies his father and comes to symbolize the break between the old ways and the new. Noted for marrying classical Arabic style and European literary form, this book also offers insight into the life of Ghallab himself, who was deeply involved in the nationalist movement that led to Moroccan independence. A pioneering work, *We Buried the Past* beautifully characterizes an influential period in the history of Morocco.

Juz' Amma is the last of thirty equally divided sections of the Qur'an, and is comprised of its final 36 chapters (Surah 78 to Surah 114). Juz' Amma is named after its very first word ('amma / عَمَّ), and is the most popularly memorized section of the Qur'an due to its brief chapters and concise verses. This juz' was almost entirely revealed during the Prophet's 40 years in Mecca, and hence its narrative focuses on centralizing the Divine in the hearts of the believers, attaching their hearts to the events of the Last Day, and ingraining in them perseverance through trials and excellence of character. This commentary on Juz' Amma was transcribed then translated from the audio recordings of the late scholar and jurist, Shaykh Muhammad Salih al-Uthaymeen. Its clear language and intertextual method (explaining the Qur'an with other Qur'anic passages) makes it an ideal resource for anyone seeking to better comprehend what they recite in prayer, develop their Qur'anic vocabulary, and become familiar with the fundamental principles of traditional Qur'anic exegesis. This book was compiled and published as curricula for Tajan Quran Institute (Allentown, PA, USA), but is perfectly suitable for self-study as well (in shā Allāh). All proceeds from its sales will go towards advancing the Qur'anic literacy of our students at Tajan.

"When you are spiritually intelligent you become more aware of the big picture, for yourself and the universe, and your place and purpose in it."—Tony Buzan How do we develop a spiritual intelligence? How do we change ourselves so that we can live by the universal spiritual values? *Seven Steps to Spiritual Intelligence* tells us how to do so, while also summarizing fourteen centuries of spiritual wisdom in Islamic literature, from the great scholars and Sufis of Spain, Morocco, Turkey, and India. Musharraf Hussain, PhD, OBE, is the director of the Karimia Institute in Nottingham, United Kingdom. He has written numerous books on Islam including *The Five Pillars of Islam* and *Seven Steps to Moral Intelligence*.

"Yā Sīn is the heart of the Qur'ān, no worshipper would recite it for the sake of God and seeking the Final Abode, unless all their sins are forgiven. So recite it over your deceased ones." Fakhr al-Din Razi's *Tafsir, The Great Exegesis*, also known as *Mafāth al-Ghayb*, is one of the great classics of Arabic and Islamic scholarship. Written in the twelfth century, this commentary on the Qur'ān has remained until today an indispensable reference work. The *Great Exegesis* is a compendium not only of Qur'ānic sciences and meanings, but also Arabic linguistics, comparative jurisprudence, Aristotelian and Islamic philosophy, dialectic theology and the spirituality of Sufism. The present volume is the first ever translation into English from *The Great Exegesis*, and focuses on the first chapter of the Qur'ān, the *Fātiha*. This scholarly yet accessible translation gives readers a thorough understanding of the most commonly recited chapter of the Qur'ān; it also opens up for readers a window into the thought and practice of one of Islam's greatest theologians. This volume includes a foreword by Professor M.A.S. Abdel Haleem, King Fahd Professor of Islamic Studies, University of London.

Based on original reporting from West Africa and the United States, and the poet's experiences as a doctor and journalist, *If God Is A Virus* charts the course of the largest and deadliest Ebola epidemic in history, telling the stories of Ebola survivors, outbreak responders, journalists and the virus itself. Documentary poems explore which human lives are valued, how editorial decisions are weighed, what role the aid industrial complex plays in crises, and how medical myths and rumor can travel faster than microbes. These poems also give voice to the virus. Eight percent of the human genome is inherited from viruses and the human placenta would not exist without a gene descended from a virus. *If God Is A Virus* reimagines viruses as givers of life and even authors of a viral-human self-help book.

Prophet Muhammad ﷺ has been granted the highest of stations by Allah (the Divine) and nowhere is it clearer than in the heart of the Holy Qur'an, Surat YaSeen. This brilliant composition masterfully explains the virtues of Surat YaSeen including seeking guidance and the decoding of Arabic words, all illuminated by over 400 full-colour images.

#1 bestselling author and radio host Glenn Beck exposes the real truth behind the roots of Islamic extremism in Muslim teachings in this sharply insightful handbook that debunks commonly held assumptions about Islam and the dream of a renewed caliphate. From the barbarians of ISIS to the terror tactics of Al-Qaeda and its offshoots, to the impending threat of a nuclear Iran, those motivated by extreme fundamentalist Islamic faith have the power to endanger and kill millions. The conflict with them will not end until we face the truth about those who find their inspiration and justification in the religion itself. Drawing on quotes from the Koran and the hadith, as well as from leaders of ISIS, Al Qaeda, and the Muslim Brotherhood, Glenn Beck seeks to expose the true origins of Islamic extremism as well as the deadly theological motivations behind these agencies of destruction. Using the same unique no-holds-barred style from his bestselling books *Control and Conform*, Glenn Beck offers straight facts and history about the fundamental beliefs that inspire so many to kill.
