Zardozi embroidery work involves making elaborate designs, using gold and silver threads. Further adding to the magnificence of the work are the studded pearls and precious stones. Zardosi embroidery has been in existence in India from the time of the Rig Veda.

Zardozi is a type of heavy and elaborate metal embroidery on a silk, satin, or velvet fabric base. Designs are often created using gold and silver threads and can incorporate pearls, beads, and precious stones. It is used as decoration for a wide range of applications, including clothes, household textiles, and animal trappings.
