In Quest of Knowledge is the story of Imam Muhammad ibn Idris al-Shafi’i’s search for knowledge. The story revolves round a son whose sole mission in life is to acquire knowledge, a teacher who lovingly accepts him, and a widow who not only bears with the separation of her only son but also shares his passion for knowledge. Their innate nobility, their ability to suffer for a common cause, their intense love for the Prophet (s) and their infinite trust in Allah give them the dimensions of epic heroes. The invaluable lesson which Imam al-Shafi’i’s story teaches, although it may not have been his main objective, is that Allah befriends and watches over anyone who endeavours to acquire religious knowledge with the intention of disseminating it.

Kitab Ash-Shifa bi ta'rif huquq al-Mustafa, (Healing by the recognition of the Rights of the Chosen One), of Qadi 'Iyad (d. 544H/1149CE) is perhaps the most frequently used and commented upon handbook in which the Prophet's, may Allah bless him and grant him peace, life, his qualities and his miracles are described in every detail. Generally known by its short title, Ash-Shifa, this work was so highly admired throughout the Muslim world that it soon acquired a sanctity of its own for it is said: "If Ash-Shifa is found in a house, this house will not suffer any harm... when a sick person reads it or it is recited to him, Allah will restore his health." Ash-Shifa gathers together all that is necessary to acquaint the reader with the true stature of the Prophet, may Allah bless him and grant him peace, with the esteem and respect which is due to him, and with the verdict regarding anyone who does not fulfil what his stature demands or who attempts to denigrate his supreme status - even by as much as a nail paring. QADI 'IYAD His full name was Abu al-Fadi 'Iyad ibn Musa ibn 'Iyad ibn 'Imran ibn Musa ibn Muhammad ibn 'Abdullah ibn Musa ibn 'Iyad al-Yahsubi, the famous Imam. Qadi 'Iyad was the Imam of his time in hadith and its sciences. He was a scholar of tafsir and its sciences, a faqih in usul, a scholar in grammar, language and Arabic speech, as well as in the battles and lineages of the Arabs. He had insight into judgements and had the legal competence to write contracts. He preserved and knew the Maliki madhhab. He was an excellent poet, familiar with literature and an eloquent orator. He was steadfast, forbearing and a good companion. He was generous and gave a lot of sadaqa. He was constant in action and tenacious in the truth. For almost fourteen centuries the Qur’an has been a source of inspiration and solace and, above all, a guide along the way of life toward eternity. Using commentaries from the classical period through the medieval and modern periods to the present, this series presents the Qur’anic explanation as Muslims have understood it and interiorized it throughout its rich exegetical history, and has been written not primarily for scholars but for those interested readers and non-Arabic speaking students of Islam, both Muslim and non-Muslim. This volume is the second in the series containing the third surah, Al Imran. The first volume contains the first and the second surahs. The entire collection will comprise an encyclopedia of the Qur’an commentary.

An important work of contemporary Islamic thought argues against the programmatic use of Islamic religious texts to support fundamentalist beliefs First published in Arabic in 1994, progressive Muslim scholar Nasr Hamid Abu Zayd's controversial essay argued that conventional fundamentalist interpretations of the Quran and other Islamic religious texts are ahistorical and misleading. Conservative religious leaders accused him of apostasy. Marking the first time a work by Abu Zayd is available in its entirety in any Western language, this English edition makes his erudite interpretation of classical Islamic thought accessible to a wider audience at a critical historical moment.

This book talks about the life story of Muhammad, may Allah exalt his mention, and his beautiful manners. It also brings to light statements for contemporary figures in Western society, who spoke favorably of Prophet Muhammad, may Allah exalt his mention.

The knowledge and wisdom held with the Cholq'ij as a sacred calendar is very deep, so the information I present within these pages is simply a starting point for all those who want to begin their journey within this wisdom. Although the format of this book may be seen as a daily calendar (and can be used as such), my purpose in creating it this way is to accompany you on an inner journey. It is a way which allows you to begin to relate to, and understand the 20 energies making up the Cholq'ij; to begin to understand the Mayan signs themselves - a way which helps you to understand how those 20 energies relate to and influence us, in a very personal way. In the first pages you will find some theoretical information regarding the Sacred Calendar, the 20 energies which

make it up, and an explanation of the importance of knowing your Mayan Sign. In this way you can begin to become familiar with the concepts of each of the different energetic vibrations manifesting within our universe, and the beautiful dance of transformation it brings to us. Within this book is a day by day guide for the whole year of 2019 on the Gregorian Calendar, combined with the messages of the Cholq'ij. On each date you will see a different quote related to the energy of that day, and how to connect, meditate, or act in harmony with the natural, universal vibration manifesting that day. You will have a space to make small notes about the main emotions, sensations, and events that you face each day. Making notes will help allow you to gain a better idea about your physical and emotional states, the way your relationships are going, messages you are receiving in your dreams, or situations which may seem out of the ordinary. This may expand into meeting someone from your past, the birth or death of a loved one, messages coming from nature, magical manifestations, or when an opportunity suddenly arises. This book is here as an effective guide; one where you can begin to relate to the energies of the Cholq'ij. Little by little, everything will begin to become clarified, and you will come to understand which days are beneficial to you for certain activities and which days are not. From my heart to yours, I hope that the words contained here will become a constant support for the greatest adventure you may ever take; The journey of knowing yourself, and understanding the constant natural movement of energy in which we all live in, and to begin dancing within its natural rhythms.

The Sahaba's were not an ordinary group of people; they were an extraordinary group of people. Individual as well as collective stories can be found of perseverance, hardship, sacrifice, and steadfastness. Despite the stereotypes, Muslim women have always played a vital role in the Muslim community, and not only in traditional roles. Early Muslim women served the community through scholarship, teaching, nursing, and other important activities. Far from being downtrodden slaves to the men in their lives, these women served Allah and their community with bravery and wisdom. Muslim women look to them as role models.

60 male companions or sahaba of the Prophet Muhammad beautifully explained in this 2 part series.

In 1105, six years after the first crusaders from Europe conquered Jerusalem, a Damascene Muslim jurisprudent named 'Ali ibn Tahir al-Sulami (d. 1106) publicly dictated an extended call to the military jihad (holy war) against the European invaders. Entitled Kitab al-Jihad (The Book of the Jihad), al-Sulami’s work both summoned his Muslim brethren to the jihad and instructed them in the manner in which it ought to be conducted, covering topics as diverse as who should fight and be fought, treatment of prisoners and plunder, and the need for participants to fight their own inner sinfulness before turning their efforts against the enemy. Al-Sulami’s text is vital for a complete understanding of the Muslim reaction to the crusades, providing the reader with the first contemporary record of Muslim preaching against the crusaders. However, until recently only a small part of the text has been studied by modern scholars, as it has remained for the most part an unedited manuscript. In this book Niall Christie provides a complete edition and the first full English translation of the extant sections (parts 2, 8, 9 and 12) of the manuscript of al-Sulami’s work, making it fully available to modern readers for the first time. These are accompanied by an introductory study exploring the techniques that the author uses to motivate his audience, the precedents that influenced his work, and possible directions for future study of the text. In addition, an appendix provides translations of jihad sermons by Ibn Nubata al-Fariqi (d. 985), a preacher from Asia Minor whose rhetorical style was highly influential in the development of al-Sulami’s work.

The important role of the Prophet Muhammad in the everyday lives of Muslims is usually overlooked by Western scholars and has consequently never been understood by the Western world. Using original sources in the various Islamic languages, Annemarie Schimmel explains the central place of Muhammad in Muslim life, mystical thought, and poetry. She sees the veneration of Muhammad as having many parallels in other major religions. In order to understand Muslim piety it is necessary to take into account the long history of the veneration of Muhammad. Schimmel discusses aspects of his life, birth, marriage, miracles, and heavenly journey, all of which became subjects for religious devotions. By using poetic texts and artistic expressions and by examining daily Muslim religious practices, Schimmel shows us the gentler side of Islamic religious culture, providing a much-needed understanding of religion as it is experienced and practiced in the Islamic world. This is the first book in English to deal with all aspects of the veneration of the Prophet Muhammad. It is an expanded version of Schimmel's *Und Muhammad Ist Sein Prophet*, originally published in German in 1981.

This volume rejects the notion that Islam's sacred text is error free and cannot be critically evaluated. The study of the Koran must develop and mature. Scholars of Islam are of course familiar with the book's many errors and contradictions, but these inherent flaws have rarely been revealed to a wider public. The *Origins of the Koran* is an attempt to remedy this deficiency by bringing together classic critical essays which raise key issues surrounding Islam's holy book. Divided into four parts, this important anthology begins with Theodor Nöldeke's first truly scientific study of the Koran. Part Two focuses on the difficulty of establishing a reliable Koranic text, while Part Three examines the Jewish, Christian, and Zoroastrian sources of Muhammad's revelation. Part Four is a consideration of the controversial interpretations of contemporary scholar John Wansbrough, who questions the historical reliability of the earliest Islamic sources. This superb collection, which includes additional selections from Leone Caetani, Arthur Jeffery, David Margoliouth, Andrew Rippin, C.C. Torrey, and more, will prove indispensable to scholars and all those interested in the textual underpinning of one of the fastest growing religions in the world. Ibn Warraq is the highly acclaimed author of *Why I Am Not a Muslim and Defending the West*. He is also the editor of *The Origins of the Koran, What the Koran Really Says, Leaving Islam, The Quest for the Historical Muhammad, and Which Koran*. There was a time when Muslim warriors were the symbol of terror for the enemies of Islam and humanity; though they were also considered as the protectors of righteous, surrenders and aged. Even the women and children of enemies use to feel safe under their canons. This is why Islam spread rapidly on the earth because these leaders were trained by the Prophet Muhammad (Peace and Blessings of Allah be upon him). This book will tell you about the life stories, moderation, significance, valour, eloquence, faith, steadfastness, sense of justice and winning strategies of more than twenty five (25) brave commanders of Muslims. Who fought for Islam with less soldiers and arms but their strategies made them able to raise their flags against their huge enemies even ten (10) times greater in number than them. These commanders includes: 1) Khalid Bin Waleed 2) Abdur Rahman Bin Auf 3) Zaid Bin Harithah 4) Asim Bin Thaabit 5) Sa'd Bin Abi Waqas and many other... Mahmood Ahmad Ghadanfar the writer of the book has quoted the incidents, Ahadiths and strategies in a thrilling way that motivates the Muslims. As one of them is here for your reference: Once during the training when the Prophet (Peace and Blessings of Allah be upon him) asked about the strategy to adopt in the battle, one of his Companion, 'Asim bin Thabit (May Allah be pleased with him) had stood up with his bow in his hand and replied: "When the enemy is a hundred yards away, we will use our bows and arrows; when the enemy comes closer, we will fight with our spears; when the spears break, we will have a hand to hand combat with our swords." When the Prophet (Peace and Blessings of Allah be upon him) heard this, he said: "Doubtless this was the way to fight a battle. Whoever wishes to take part in a battle should adopt the strategy of 'Asim bin Thabit."

In this riveting novel, beloved international bestselling author Deepak Chopra captures the spell-binding life story of the great and often misunderstood Prophet. Islam was born in a cradle of tribal turmoil, and the arrival of one God who vanquished hundreds of ancient Arabian gods changed the world forever. God reached down into the life of Muhammad, a settled husband and father, and spoke through him. Muhammad's divine and dangerous task was to convince his people to renounce their ancestral idols and superstitious veneration of multiple gods. From the first encounter, God did not leave Muhammad alone, his life was no longer his own, and with each revelation

the creation of a new way of life formed and a religion was born. Muhammad didn't see himself as the son of God or as one who achieved cosmic enlightenment. His relatives and neighbors didn't part the way when he walked down the parched dirt streets of Mecca. There was no mark of divinity. Orphaned by age six, Muhammad grew up surrounded by dozens of cousins and extended family to become a trusted merchant. Muhammad saw himself as an ordinary man and that is why what happened to him is so extraordinary. Rooted in historical detail, Muhammad brings the Prophet to life through the eyes of those around him. A Christian hermit mystic foretells a special destiny, a pugnacious Bedouin wet nurse raises him in the desert, and a religious rebel in Mecca secretly takes the young orphan under his spiritual wing. Each voice, each chapter brings Muhammad and the creation of Islam into a new light. The angel Gabriel demands Muhammad to recite, the first convert risks his life to protect his newfound faith, and Muhammad's life is not a myth but an incredible true and surprisingly unknown story of a man and a moment that sparked a worldwide transformation.

A married woman falls blindly in love with a handsome military officer. Happy families are all alike; every unhappy family is unhappy in its own way. States Leo Tolstoy in his great modern novel of an adulterous affair set against the backdrop of Moscow and St. Petersburg high society in the latter half of the nineteenth century. A sophisticated woman who is respectably married to a government bureaucrat, Anna begins a passionate, all-consuming involvement with a rich army officer. Refusing to conduct a discreet affair, she scandalizes society by abandoning both her husband and her young son for Count Vronsky--with tragic consequences. Running parallel is the story of the courtship and marriage of Konstantin Levin (the melancholy nobleman who is Tolstoy's stand-in) and Princess Kitty Shcherbatsky.

The Prophet Muhammad initiated one of the most significant religious and cultural developments in human history, bringing into the world the religion of Islam in its final form. His life continues to inspire millions and millions of people around the world. Recent world events, bringing the world of Islam into more and more contact with other cultures around the world, makes a proper understanding of Islam and its Prophet very important for mutual human understanding and world peace. Adil Salahi's compelling biography traces the life of the Prophet Muhammad from birth and childhood in the Arabian desert to the triumph of Islam and its gaining a permanent hold on Arabia. The author sets this against a fascinating historical backdrop, making a careful analysis of events and relating them to the life of Muslims today. Today, Islam provides perhaps the most important trend influencing Arab and Islamic thinking throughout the world. Adil Salahi looks at Islam from this wider perspective with both the Muslim and non-Muslim readers in mind. Muslims will add to their understanding of their own faith and non-Muslims will understand the passionate love Muslims have for their last Prophet.

This book narrates the life of Prophet Muhammad, peace be upon him, shedding light upon segments of his life that are either neglected or glossed over in conflict-focused biographies. The narratives in this book revolve around the Prophet's various strategies of diplomacy and reconciliation

to avoid conflicts. In narrating these events, the book helps the readers broaden their perspective on the life of the Messenger of God and better capture the ethos of his life. Indeed, both Muslims and non-Muslims may benefit from this understanding at a time when violent extremist groups such as ISIS are causing carnage with their brutality while dressing their totalitarian ideologies in Muslim garb. The book exposes the hypocritical and willful deception of these radical groups which cherry-pick incidents and sayings from the Prophet's life, decontextualize them, and abuse them to serve their perverted ideologies. The extensive evidence presented in this book will not only dispel many myths about the life and message of the Noble Prophet, but also show how through compassionate efforts he conquered the hearts of people around him and turned them from die-hard enemies to devoted faithful friends.

There are many teaching methods with different means and aids. Correcting mistakes is one of these teaching methods and educationalists call it the "remedial method." Correcting people's mistakes is essential if teaching people is the aim. Correcting mistakes is a divine method the Prophet (pbuh) practiced as the Qur'an was sometimes revealed to correct some mistakes of the Sahabah (companions of the Prophet). The Prophet (pbuh) was divinely guided in correcting the mistakes of people. So his methods are the best mankind has ever known. Following the example of the Prophet (pbuh) is therefore the best approach if one is really keen to teach Islamic knowledge and all the other branches of knowledge. The author has in this book compiled many methods of the Prophet (pbuh) for teaching people and correcting their mistakes. This book, as such, is indispensable for everyone who is concerned with education in general, and Islamic knowledge in particular. Muhammad and the People of Book by Sahaja Carimokam asks the question, what was the nature of Muhammad's relationship to non-Muslims, particularly Jews and Christians, and how did it change over time? This work is based on a chronological reading of the chapters of the Qur'an supplemented with Muslim commentary literature and biographical materials on the life of Muhammad. Carimokam traces Muhammad's evolving religious viewpoint based on his borrowings of primarily Jewish and some Christian traditional/apocryphal materials. He shows how Muhammad's inaccurate and anachronistic rendition of Jewish traditional literature ensured that the Jews would reject him as a Prophet. This rejection led to his ultimatum to the Jews early in the Medinan period of the Qur'an and culminated with his call to Jihad against all non-Muslims, including those Jews

and Christians who refused to acknowledge his Prophethood. The origins of takfir, declaring Muslims to be non-Muslims, are considered. Comparisons are made of moderate and traditional interpreters of the Qur'an. Historical-critical issues regarding the background provided by Muslim historical propaganda is considered in one chapter. The book concludes with a controversial issue for the interpretation of Islamic law in the 21st century based on the actual canonical practices of Muhammad.
