Amazon.com: Military Modernization and the Russian Ground ...

The strategic modernization program is replacing a lot of old systems, systems that the Russian military would have preferred to retire earlier had it been able to pay to do so.

Pay attention, America: Russia is upgrading its military

One of the cyclical patterns of Russian history is the country's perpetual quest for military modernization. This quest was pursued by the Romanovs and the Soviets and continues in modern-day Russia. Military spending is always prioritized over essential economic and social reforms, hampering the country's competitiveness on the world stage and paving the way for its weakening and eventual ...
