5 Visualization Techniques To Deepen Your Self-Hypnosis ...

Erickson was a champion of indirect suggestion. It is a favorite of certified hypnotherapists because this method puts the control in the subject's hands rather than those of authoritarian - respecting the patient's boundaries and clinical ethics. Further it has proven more effective for subjects that are resistant or skeptical of trance. Rather than "order" a subject to relax ...

Counselling and Hypnotherapy Diploma - John Academy

In the early 1900s, French psychologist and pharmacist Émile Coué hit the papers for his mantra-like method of conscious auto-suggestion, otherwise known as Couéism or the Coué Method. The method required patients to repeatedly say the following phrase in the morning and evening: "Every day in every way I'm getting better and better." The healing power in this statement came from ...

Top Tips For Recording Your Hypnotherapy Scripts Technology has made it increasingly easier over the years for many hypnotherapists to

produce high-quality audio hypnotherapy recordings at home yet one of the things I have repeatedly noticed over the years I've worked in this industry is that many hypnotherapists (and, for that matter, therapists in general) seem to be rather 'technophobic'.
